GLIMPSE OF BCS

The school was established in 1988. It has a magnificent facade, attractive infrastructure, encompassed with green surroundings and a big playground. The classrooms are spacious, having the facility of Smart-board and Hard-board. The school is permanently affiliated with the Central Board of Secondary Education and recognized by the Delhi administration. The school has a team of experienced teachers for imparting education and guidance to the children. The school is imparting knowledge to achieve the physical, emotional, mental and spiritual potential talent in every child. The school has adopted a system of self-study. The teaching methodology is child-centered, where the teacher is only guiding them and showing them the correct path. As a result of continuous efforts, our school has achieved success in each and every field. So, here we help your child to grow multi-directionally and be the writers of their own success to set a milestone in the history.

VISION AND MISSION

- * Make the child self reliant, confident, positive, honest and a true citizen. Instilling moral values and ethics among students.
- * To remove ignorance from the society and prepare children for achieving academic excellence and success in life. Focus on all round holistic development through various effective techniques.

SCHOOL MENTORS

ENLIGHTENED WORDS

Dr. R. P. Malik, the Founder Chairman and also an educationist always believed that “Education is the most powerful weapon which you can use to change the world”. He is the recipient of numerous awards in the field of Education, Social and Humanitarian Services, etc. He always focused on positive thinking, firm determination and hard work for achieving success in life. His sincere and dedicated endeavors in this field has sprouted in the form of its many branches in East Delhi concurrently, excelling in the scholastic and co-scholastic areas for the holistic development of the students.

Dr. R.P Malik

TREASURE TROVE

We aim not just to impart quality education to our students, but also inculcate amongst them- wisdom, benevolence and the spirit of humanitarian values. Her message is meant to encourage all students to take the canvas of hope and brush up a glorious vision and paint their own portrait of excellence. Her belief is “Nothing is impossible. And IMPOSSIBLE means I AM POSSIBLE.” This is our belief that the children of today have an unquenchable thirst to seek knowledge, which can only be satisfied by imparting best education in various fields.

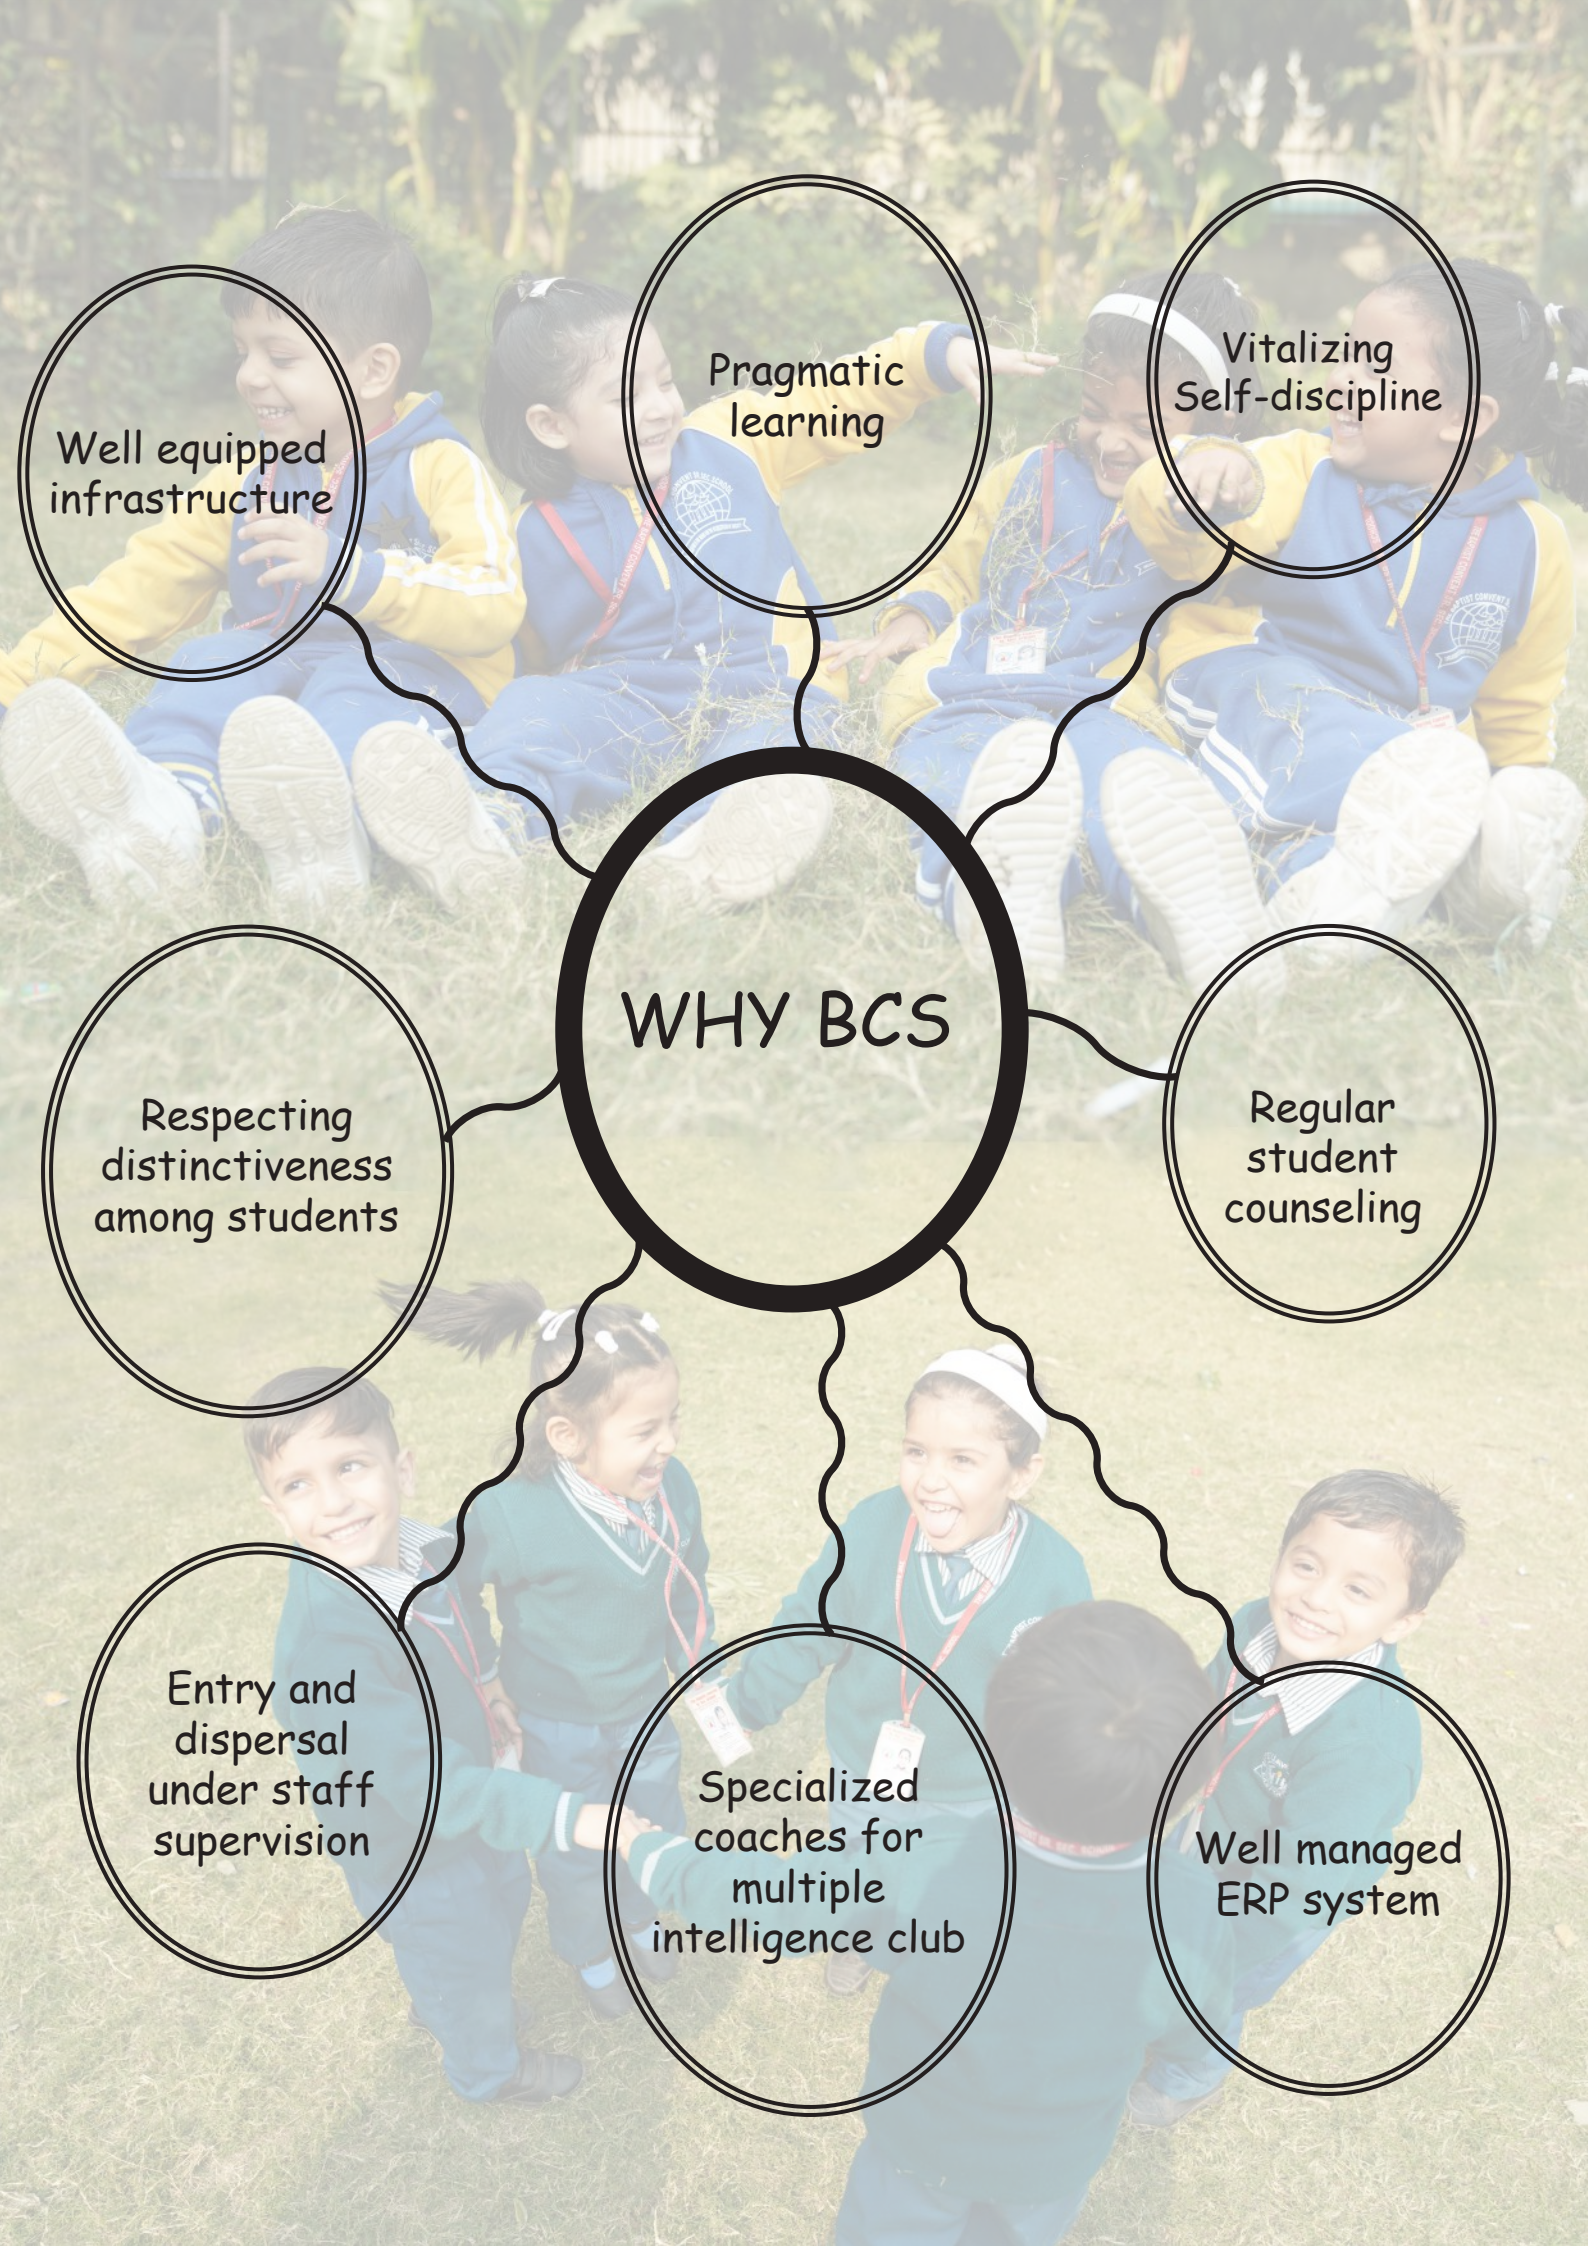

Dr. Mrs. S.D Malik

FROM PRINCIPAL'S DESK

One's success is not determined by the work he does, but the choices he make. We try to build a learning environment in our campus where a child not only develops acquisitively but also socially by grasping the right ethics. We consider every child as unique and we teach to foster natural capabilities of each child. We believe that blending traditional teaching methods with modern teaching technology at our school will bring out the best results of our students. All our students are innovators and architects of tomorrow. Education today is not restricted to text books but it extends to the integration of knowledge. My sincere aim and believe is that our school is a place where students are able to explore beyond the confines of a classroom and we venture to create good professionals.

Dr. Mahima
(Principal)

THE ZENITH OF SUCCESS

The BCS prides itself on being an academically inclusive school, which values and encourages every student to make the very most of their lives. Students' achievement is at the very heart of everything our faculty does. Because of this, we achieve consistently high examination results, regularly enjoying 100% pass percentage of students, with majority of them scoring distinctions.

A feather in the cap of the BCS was added when a student of class X, Kartik Bagri, secured 98% in CBSE 2018, Vishal Verma of class XII attained 100% marks in Mathematics.

These CBSE result reflects the dedication of our students and also the commitment and support provided by our experienced staff members.

LEARNING

The school is working with vigor, versatility, and vibrancy in providing a relevant education to children to face the rapid technological advancement. With this aim in view, the school is always focusing on different co-curricular activities also.

SPORTS

"A healthy mind lives in a healthy body."

The development of mind and body go hand in hand. So games and sports are integral part of our curriculum. Both indoor and outdoor sports are provided to make the students emotionally, physically and socially strong.

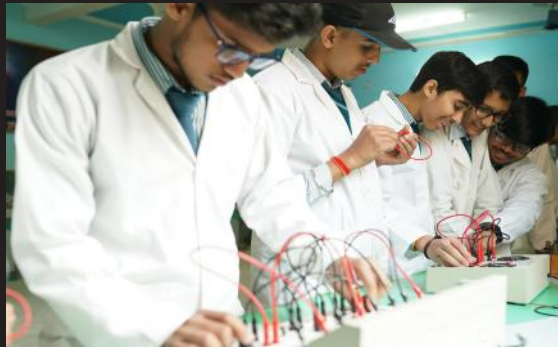

"Think like a Proton, and stay positive."

The school has well-equipped laboratories for Physics, Chemistry, Biology and Computer Science. These laboratories give the students extensive practical experience to supplement the theories learnt in the classroom.

FUTURISTIC
WORLD

"The world of colors."

Art & Craft is a supreme way of expressing emotions, desire, feelings and dreams while working in specialized rooms.

ART
&
CRAFT

"Push Button Age"

TECH SAVVY STUDENTS

3D labs

With technology and education going hand in hand, it seems everything is possible. Students are more inclined to learn and grasp knowledge with the interesting mode of teaching. With 3D laboratories in the schools, learning complex lessons has never been this easy. It is easily accessible. The students respond quickly with curiosity. The 3D labs are well scrutinized to ensure comprehensive learning for students.

Smart Board

Our institution is well equipped with e-learning smart classrooms to make the teaching learning more interactive and engaged. The various tools of smart board include animations, videos, virtual labs, etc, to make the understanding of the concepts learned more simple and easy. The modules designed get enriching view of each topic using enhanced images and audio description. Even the abstract theory provides intangible experience to students.

Computer lab

In the well-equipped computer lab of school, the students love to enjoy the fruits of modern and new computer applications to make PPT's and Projects in an innovative way.

Library

"A book is a gift; you can open again and again."

Our library has a wide range of books, encyclopedias, reference books and fiction books which is being constantly upgraded by new editions.

AVID READERS

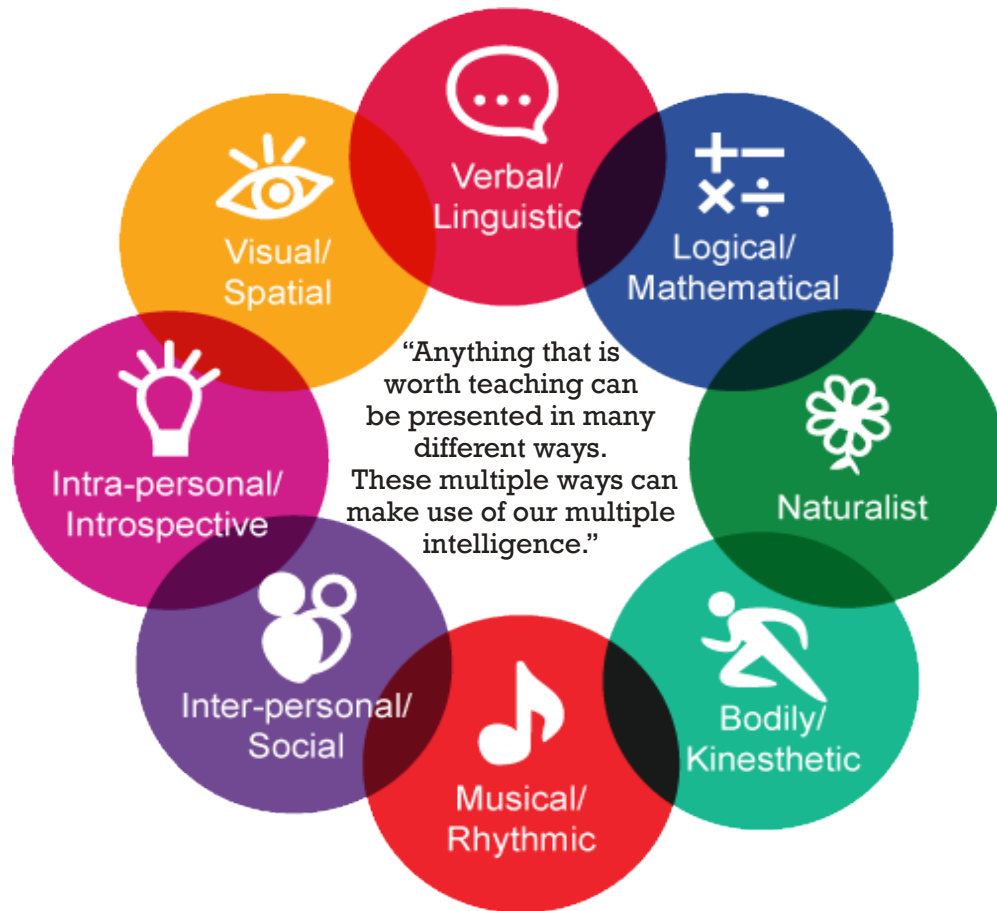

"Music is the voice of Almighty God."

Music encourages imagination and expression both and dance provides image of personal creation, expression and emotional balance. It also provides the facility of Western music, Indian music and dance class.

MUSICAL WORLD

MULTIPLE INTELLIGENCE CLUBS

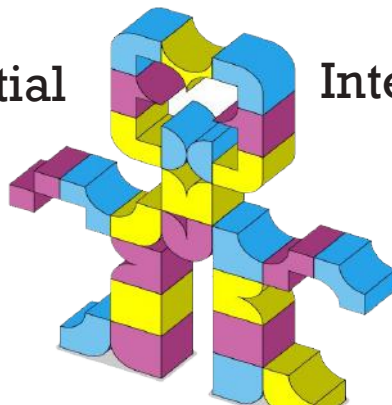

Visual Spatial

Intelligence Club

Various activities comprising of Art-Craft and cutting- pasting are a part and parcel of this club.

Great architects, artists, designers and photographers are generated from this club.

It improves the creative and aesthetic sense of children.

It helps to recognize different angles, colors and models.

It is a set of cognitive abilities, talents and mental skills.

Intrapersonal Club

It is a platform to enhance and to excel in different activities like Yoga, Seminars & Workshops. It is the ability to understand own inner feelings, self realization and to know about one's own skill.

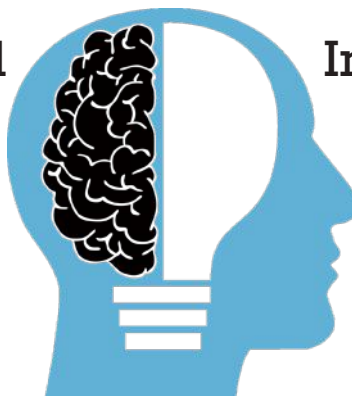

The students are trained to become great philosophers. It intends to improve good concentration power, memory, managing relationships, energy, persistence and to control disruptive impulses and moods.

Logical

The club trains the students to manipulate number or logic easily. It is a combination of logical connection and concept. The club enhances great scientists, mathematicians and computer analysts. It triggers the neurons of the mind.

Intelligence Club

It activates the ability to think logically and critically. It is the best area to develop an aptitude for numbers, reasoning and problem solving. Above all, it is the club for "QUESTIONING & EXPERIMENTING".

Kinesthetic

Students are trained in football, judo-karate, badminton, cricket, aerobics and dance classes. Our school is a platform for preparing upcoming players. Students are given a fair chance to flourish and excel in the game of their choice.

Club

Students flourish in performing sports & physical activities by using the body flexibly. It improves body rhythm and capacity of doing things. It increases the body metabolism, resulting in supreme heart rate and blood circulation.

Naturalistic

The club promotes a child to the outer world of nature in the form of flora (plants) and fauna (animals). Different outdoor activities are conducted like visiting a zoo, planting a sapling and watching movies and videos on green earth, global warming and ecology.

Club

Rallies are also organized to create awareness on green and clean environment. The club brings forth Eco-friendly students, ecologist and conservationist. It designates the human ability to discriminate among living things as well as sensitivity to other features of the natural world.

Musical

The club involves all forms of dramatic and instrumental activities. It also includes playing, dancing, singing and involving the students in Nukkad Nataks and Musical ballets. It's aim is to create renowned Musicians and Singers.

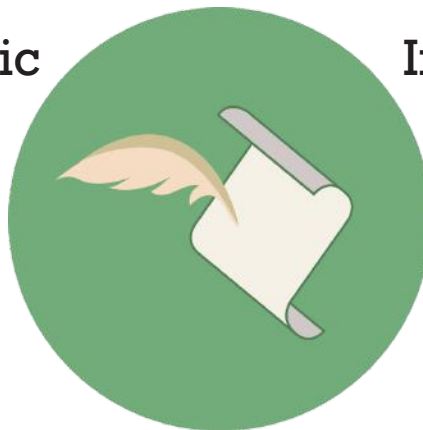

Intelligence Club

Students gain vocal skills, listening skills, composing skills, harmony, melody, creativity, expression, helps to distinguish the sounds around you and develops a good sense of rhythm.

Linguistic

The club focuses on verbal and written language in the form of reading, writing, telling stories, building vocabulary and finding the right words to express one's feelings, thoughts and ideas.

Intelligence Club

Good orators are engendered from this club. The school is introducing E-library where online reading and downloading the books can be done.

Annual Day Function and Special Assemblies

ACHIEVEMENTS

Vinay Pal

Patience to practice, courage to fail, spirit to try and wisdom to follow your passion is all one requires to achieve his goal. Vinay Pal, class 11th, has made his family and school gratified by participating in The Delhi Olympic Games, for Karate, and bagged gold medal. A token of appreciation was given to him in the form of cash prize from the Delhi Government of Rs.10, 000/-.

Nikhil Majila

Aim big to succeed has always been the victory mantra which Nikhil Majila, class 9th, believes in. He has been a part of the Playing-11 of the National Cricket team from Chandigarh and Gujarat where he has won gold medal. Nikhil has taken part in other District levels matches as well wherein he secured several positions.

Divisha Lakhera

She is a green belt holder in Judo. She has won laurels in many state Karate Championships and has held the school flag high.

ALUMNI MEET

Our alumni have shown their mettle by clearing the tough exams of Delhi College of Engineering, MBBS, Cat, BMS, and Mass Communication. Our students are a part of prestigious Delhi University colleges like SRCC, St. Stephens, Hindu. The regular Alumni Meet in the school creates a special bonding between the students who have passed out and who have established themselves in this world.
