

CHAIRPERSON'S MESSAGE...

Dr.(Mrs.) S.D. Malik

"Those who educate children well are more to be honoured than parents, for these only gave life, those the art of living well."

~ Aristotle

I believe in the philosophy of thought, word and deed as eternal which made this school what it is today. In the month of December, Senior Classes will have Pre- Board Examination, which will give motivation to learn more. The exams sharpen our logical and critical thinking. The better the performance, the more proud one is of oneself. Remember my dear children - challenges, competition and the fear of failure are natural, but success embraces those who face these with the **can-do attitude**.

On the onset of festivals, I would like to convey my heartfelt greeting through these lines. From darkness to the light that empowers us to commit ourselves to do good deeds which will bring us closer to divinity; lights illuminate every corner of world and the scent of incense sticks hang in the air, mingled with the sounds of joy, togetherness and hope.

PRINCIPAL'S MESSAGE...

Dr. Mahima

The highest education is that which does not merely give us information but makes our life in harmony with all existence. ~ Gurudev Rabindranath Tagore

This has certainly been an unusual start to the school year, though it's been a successful one. We are proud to see students and staff taking steps every day to keep each other safe and healthy. We are dedicated to helping students stay on track with their virtual classes and exams. It is our mission to see all our students do very well. Our teachers are dedicated in maintaining and improving our students' readiness for learning at home. I am hopeful of a smooth and rewarding journey through to the end of this year. I offer my gratitude to all my parents who encourage us and support our decisions we make to manage the changes the pandemic has inflicted on us. During this prevailing COVID-19 pandemic, ensuring better ambient air quality is essential since respiratory ailment is one of the major symptoms in corona patients. Intake of lots of Vitamin C, and Omega 3 like walnut, jaggery etc. will guard you against the ill-effects of pollution and COVID.

Wish you best of luck for your forthcoming exams.

May God bless you abundantly.

Natural Pharmacy – Kitchen

Here are few herbs and spices that have curing properties:

BASIL: *Tulsi* in Hindi, in India it is considered as the "king of herbs". It is an excellent breath freshener, has blood pressure lowering components.

BAY LEAF: *Tez patta* in Hindi, it is used in tea with peppermint to cure colds, flu, bad breath. Boiled bay leaves may be used on chest to relief cough.

CORIANDER: Both coriander leaves and seeds are used in cooking. It is used as a coolant to cool down the hot stomach, remove intestinal gas and aid digestion.

FENNEL SEED: (*Saunf*), in tea helps in reliving respiratory congestion.

GARLIC: It is the king of all medicinal herbs. Garlic helps in lowering down the cholesterol levels, high blood pressure, regulates blood sugar level, relieves from cold when mixed with honey. Most of the benefits are from raw bulb.

GINGER: Excellent remedy for indigestion and nausea, including motion sickness and morning sickness. Ginger tea is helpful for headaches, chest congestion and indigestion. Ginger water mixed with lemon also aids in weight loss.

MUSTARD SEED: Helps in regulating irregular heart-beat, cholesterol and blood sugar levels because of it's magnesium content. Mustard greens are a good source of beta-carotene, calcium and iron as well as vitamin-C

OREGANO: Oregano helps in preventing respiratory complaints and cough, gives soothing effect. Oregano tea is used to treat poisonous insect bites, digestive problems.

PEPPERMINT: Known as *pudina* in Hindi, its tea helps in relieving flu symptoms and clear congestion from the head. Too much peppermint tea may inhibit iron absorption too.

SMOG - Prevention and Awareness

Almost every metropolitan city is suffering from photochemical smog and the number of casualties due to its drastic increase over the years has also been rising considerably. Since wearing a respiratory mask all day long is not really a practical long-term solution, we present to you some tips that can help us minimize the intensity of smog in our city.

- * We should have "burn days" when residents can burn waste such as leaves in their yard. These limits on chemicals released into the air will reduce the amount of smog.
- * Drive less instead give preference to walk.
- * Use bike, carpool, and public transportation whenever possible.
- * Take care of cars. Getting regular tune-ups, changing oil on schedule, and inflating tires to the proper level can improve gas mileage and reduce emissions.
- * Fuel up during the cooler hours of the day—night or early morning. This prevents gas fumes from heating up and producing ozone.
- * Avoid products that release high levels of **Volatile Organic Compounds** VOCs. For example, use low-VOC paints.
- * Avoid gas-powered yard equipment, like lawn mowers. Use electric appliances instead.

ACTIVITIES AT A QUICK GLANCE

Planner for the month of October-2020

Grade: Nursery to XII

MON		5  Vegetable Printing Experiment- Properties of Air	12  Rangoli with Shapes Poster and Thank You Card Making Activities	19  Collage Making - Living and Non-Living Things	26  Show and Tell Activity Fancy Dress Competition

Mahatma Gandhi or more lovingly known as Bapu by all Indians is internationally acknowledged for his doctrine of non-violence that led India to its glorious freedom. On this auspicious occasion of Gandhi Jayanti, our School presented the video depicting the life of the great man who lived on the principles of *Ahimsa*. Children have shown spectacular talent by doing different activities.

SWACHHTA PAKHWADA "अपना देश साफ हो, इसमें हम सब का हाथ हो।"

Being an Indian, it is our prime responsibility to keep our community clean and hygienic. And this can only be possible when all of us together contribute and take pledge to make our country clean and beautiful. Our glorious kids volunteered themselves in *Swachh Bharat Abhiyan* - cleanliness campaign established by the Government of India. Various Hygiene practice activities, Painting competition on cleanliness etc, were conducted.

ENJOY THE VICTORY OF TRUTH OVER EVIL

The students of our school celebrated virtual Durga Puja & Dussehra with a lot of fervor and ardor. Pre primary teachers depicted the story behind the celebration of these festivals through a musical dance drama conveying the message of 'Dussehra-Victory of Good over Evil'. The tiny tots from the primary section were attired in the costumes of Lord Ram, Lakshmana, Sita Mata, Hanumaan ji and Vanar Sena. Beautiful presentation by the students on virtual platform left everyone spellbound. Teachers apprised the students about the importance of the festival and applauded for their mesmerizing performance.

India is a secular country. As an endeavour to solidify the bond of oneness and unification, the country celebrated the birth anniversary of Sardar Vallabhbhai Patel on 31st October as Rashtriya Ekta Diwas (National Unity Day). In line with the celebrations countrywide, school following the mandate organised various activities through the virtual classroom in order to extend their heartfelt appreciation about the life and the involvement of the Great Leader. Various activities were organised to support the cause of promoting unity and celebrating National Unity Day in the school. During the virtual morning assembly the program started with the teachers telling the students about the life history and the role of Sardar Patel in the freedom struggle to establish harmonious society. The students and the Teachers also took the pledge to safeguard the country from any internal and external conflicts. The students were engaged in the activities like slogan writing, essay writing, debate and posters on Rashtriya Ekta Diwas and they also shared it in the class group.

CONSTITUTION DAY

November 26 is celebrated as Constitution Day every year to commemorate the adoption of the Constitution of India. To upholding the dignity of this day, the students like every year, read the preamble to the constitution, and reaffirming a commitment to uphold its ideology. Special morning assembly was conducted on the significance of the Constitution day as well as the great work done by the members of the constituent assembly. Thereafter the guiding values mentioned in the preamble were explained to the students by the teachers after the students took the pledge of the preamble to the constitution. All the students and teachers promised to maintain and upholding the dignity of the constitution another promised to abide by the constitution and felt proud to be a citizen of a great country. The students also watched and took the pledge along with the Honourable Prime Minister reading of the Preamble at 11 a.m. on 26 November during the conference of the All India Presiding Officer at Kevadia, Gujarat.

DIWALI CELEBRATION

Diwali celebration graced by respected Mr. SAYTAM MALIK

Wave of festivals during this pandemic brought a light of hope for every individual. The festival of lights- Diwali, came alive at LPIS and BCS on 13th November 2020, when the schools gleamed with rangoli colours, lights and diyas. The members of management, The Director- Dr. Mahima Malik mam and dynamic sir Mr. Satyam Malik along with the faculty gathered in the school premises to seek the blessings of Lord Ganesha and goddess Laxmi. His alliance at this glorious moment itself symbolized prosperity in the upcoming years. The celebration commenced by enchanting mantras, offering flowers, coconut and fruits to goddess Laxmi. Everyone prayed for good health, joy and peace around the world. May this festival eliminate all troubles and sufferings of the world.

CHILDREN'S DAY

*There is no garden
as beautiful as childhood.*

Children's Day- A fun filled day marking childhood was, celebrated virtually via Zoom. The importance of the day was highlighted by a virtual special assembly, where the teachers explained about the same. Children showcased their creativity by enthusiastically participating in various online activities. They also grooved on their favourite dance numbers and enjoyed their munchies during the online children's party. All in all, the celebration made our adorable kids sparkle with joy and excitement.

INTER BRANCH MIND POWER AND MATH WIZARD COMPETITION

GRADE NUR-II

Mathematics may not teach us to add love and happiness or subtract hate and sorrows, but it gives us hope that EVERY PROBLEM HAS A SOLUTION.

An INTER BRANCH MATHS WIZARD COMPETITION was conducted by RPM LOVELY PUBLIC SR. SEC. SCHOOL, NLP, on 17th October 2020 via ZOOM app for the Classes Nursery to 2. It was a great way for students to develop intuitive thinking, reasoning, and logical thinking skills. Students not only learnt new concept but applied their previous knowledge and solved challenging problems. Mathematics is a subject full of creativity and opportunity and therefore students were encouraged to view it not as a set of rules or guidelines but as an art. The children participated with great zeal and enthusiasm. Their spontaneity and vigilance were worth seen. The winners were acknowledged via E- Certificates.

Congratulations to all the winners and participants for their hard-work and success.

INTER BRANCH ART AND CRAFT COMPETITION

GRADE NUR-II

Art has the power to transform, to illuminate, to educate, to inspire and motivate others.

To discover the hidden creativity and to unlock the innovative outlook of the students, a Virtual Inter branch Art & Craft Competition, for classes Nursery to 2 was organised via Zoom by LPIS, Krishna Nagar, on 21st Nov, 2020.

This fun filled contest witnessed an enthusiastic participation, which was quite evident in the artistic work displayed by the students. This platform aided the students to explore the extent of their imagination and aesthetic skills. Participants showcased their creative flair on themes like button craft, fun with shapes, origami, bud painting and the magic of 3R's (best out of waste). The extraordinary and commendable artwork presented by the participants, was appreciated by all.

We congratulate all the ace winners and participants for their marvelous display of artistry and forte.

CHHATH PUJA

One of the most important festivals celebrated just after a week of Diwali is Chhath Puja. This age-old festival is dedicated to the Sun God and his wife Usha, who is also known as Chhathi Maiya. During Chhath Puja, people thank Lord Surya, the god of energy, for showering blessings and sustaining life & energy on earth. The rituals and traditions of Chhath Puja are very hard as the Vratti or the devotee fasts for 36 hours without a single bite of the food or a single drop of water. To perform evening rituals, people go to the banks of the river or pond or other clear water bodies with their family and friends to offer bhorwa arghya (morning offerings) to the rising Sun. After arghya, devotees knee-down at the ghat to worship Chhathi Maiya, distribute thekua and then come back to home. After their return from the ghat, the devotees or the vrattis take blessings of the elders and break their fast by eating ginger with water.

THANKSGIVING

An Overview

Thanksgiving Day, is the annual national holiday in the United States and Canada celebrating the harvest and other blessings of the past year. Prayers of thanks and special thanksgiving ceremonies are common among almost all religions after harvests and at other times. Thanksgiving meal typically includes turkey, bread stuffing, potatoes, cranberries, and pumpkin pie. This holiday is often the busiest of the year, as family members gather with one another for the celebrations.

Thanksgiving Celebration at School

In order to build an Attitude of Gratitude, the school encouraged the celebration of Thanksgiving Day on Thursday, November 26, 2020. As a part of life skills teaching, children were made to acknowledge their blessings and to be grateful for all that is around them. Many activities like card making, thank you note writing, saying thank you prayer etc were conducted.

ROAD SAFETY WEEK

The School celebrated 'Road Safety Week' with great zeal and devotion from 23rd Nov. to 27th Nov., 2020. Our Principal Dr. Mahima Ma'am took safety pledge on following the best road safety practices. Students were told about the importance of obeying rules while travelling by road and for the pedestrians. The little ones expressed themselves virtually by making road signs and telling its significance. They were sensitized to the issue of road safety so as to make them responsible road users.

GURU NANAK JAYANTI CELEBRATION

Guru Nanak Jayanti is also known as Gurpurab in the Sikh community. It is celebrated with great fervour all over India. This year, the festival fell on November 30. The Shining stars of our school celebrated this day with great zeal and have shown their magnificent talent by role plays, card making etc.

Prime Minister Narendra Modi launched the Fit India Movement on the occasion of National Sports day at the Indira Gandhi Indoor Stadium in New Delhi. The Prime Minister said, "Only a fit person, fit family and a fit society will pave way for a great and new India." The Fit India Movement aims to encourage Indians to include fitness activities and sports in their daily lives to pave way for a healthy and fit lifestyle. The Prime Minister during his speech on Fit India said that fitness is not just a word but a way to lead a healthy life. He also addressed in his speech that India is fortunate to have a sportsperson, Major Dhyan Chand and he also praised Major Dhyan Chand that he would be known for his fitness, stamina, and love for sports."

The Ministry Of Education, Government Of India has undertaken "MANODARPAN" initiative. During these unprecedented circumstances, following the pandemic, the closure of school, new system of online classes and restrictions of outdoor activities has lead to stress and anxiety among all. It required a careful handling. In this context, a Mental Health Week was observed from 4th October to 10th October, 2020, on the occasion of World Health Day on 10th October, 2020. Many activities were undertaken by the school like Story Telling, Poster Making and Slogan Writing in an online mode. These activities provided psycho - social support to students, teachers and families for mental health and emotional well-being during Covid 19 outbreak and beyond. It fostered a culture of creativity and innovative thinking.

VIOLENCE & CYBERBULLYING

As we are aware incident in some school across the country have highlighted the need for a safe and secure learning environment for all children. Violence in school has serious consequences in learners lives, ranging from low -esteem and depression with many students avoiding school, achieving below their potential or dropping out completely. School bullying the most prevalent form of violence in school affects almost one in three learners and impact the education and well-being outcomes requires immediate attention. Owing the instruction from the CBSE the school celebrated International Day against violence and bullying including cyber bullying on 5th November 2020 and the theme Together against bullying in school. On this day the teachers conducted the session for students in the morning assembly telling the students about the consequences of bullying and cyber bullying. The students were also made aware about the drastic effect the bullying having on the psychology of ones individual. The students were also made aware about how to raise what their voice against bullying or bullyism specially cyber bullying. While organising Bullying Awareness Week school and society will be successful in bringing positive change in student achievements and well-being.

Plant Trees, Plant Hope

The Baptist Convent Senior Secondary School arranged a Plantation Drive in the school premises on 25th November, 2020. This campaign was launched by the Principal of the school, Honourable Dr. Mahima ma'am. She took the initiative of planting many trees on that day, with the associate of Scouts and Guides. It was truly a great moment when she was felicitated by the Scout and Guide, Mr. Rahul. This programme aimed at planting trees and to spread awareness about the protection of environment. It is a proud moment for all of us.

Clean And Green, Is Our Perfect Dream

4. Adopt best study habits.
5. Make a strategy to learn lengthy answers.
6. Practice previous years question papers.
7. Take regular and short breaks .
8. Write the answers in an appropriate way.
9. Solve C.B.S.E Sample Papers.
10. Throw away the exam fear and just relax.

Sujal Jain (Class IX)

Things To Remember during Exams

Board exams are the milestone in a student's life as it is the stepping stone for their career. Before giving Board Exam, we appear for the Pre- Board Exam. Pre board exam is the preparation exam that accumulates our learning and efforts. Generally students take them lightly as it wouldn't decide their rank. Here are the points which you should keep in mind ~ Revise every chapter properly. Don't ignore the important points taught by the teachers.

Ensure that you are familiar with every concept, theorem and formulas involved in the particular chapter.

Don't take too much stress and be confident.

Complete all your notes and get your doubts cleared in advance by the teacher.

Skipping difficult portions will never help. So make sure to clear your doubts.

Diet and sleep are the 2 major factors which students ignore at the time of exams.

Have a proper sleep. So that you shouldn't feel tired or sleepy on the exam day.

Students usually do study during nighttime which should be avoided. Studying in the morning makes the things more clear.

Have a proper balanced diet.

Avoid eating junk food.

Do not take any kind of stress at the day of exam . Check all the necessary details and give your best! Don't get panic. Maintain your writing speed. **Just Be Confident**

Ashlesha Gupta (Class XI)

DO's and Don'ts of Board Exams

Morning is the most important time, when our brain is fresh . So focus on topics or subjects which you find tough and critical during this time.

Do group study for difficult subjects.

Identify your weak areas from previous exams and work on them.

Keep yourself away from electronics gadgets while studying, as they will distract you.

Make time management plan and follow it strictly.

Allot some time for revision .

Take proper sleep and play outdoor games to develop physical and mental stability.

Practice sample papers to complete the exam on time.

Avoid eating junk food to keep your brain healthy and sound.

Don't leave topics or chapters for the last days as it will create unnecessary pressure on the mind.

Avoid studying late hours.

Keep calm and study as per your plan.

Avoid spending too much time on social networking sites.

Lastly , have faith on your capabilities. *Shreya Kothari (Class X)*

Ways To Prepare For Pre Board Exams

Board exams are an important milestone in a student's life because it is the stepping stone for their career. For such an important exam, revision should be indispensable as it concentrates all your hard work to one point of memory for you to deliver in the examination hall. This kind of exam is crucial in fixing our marks in the main exam.

1. Read each and every question carefully and answer what has been asked. Keep some time for revision and check whether you have answered all questions you know.

2. Sleep well a night before the exam and have a healthy breakfast the next morning. Avoid last minute hassles.

3. In the exam , do not waste time on questions you are not sure of or those which are time consuming. Come back to answer them only when you are through with all that you know.

4. After exam, do not conduct a post-mortem of the exam by predicting how much marks you might score, trying to figure out the correct answers from an unreliable source.

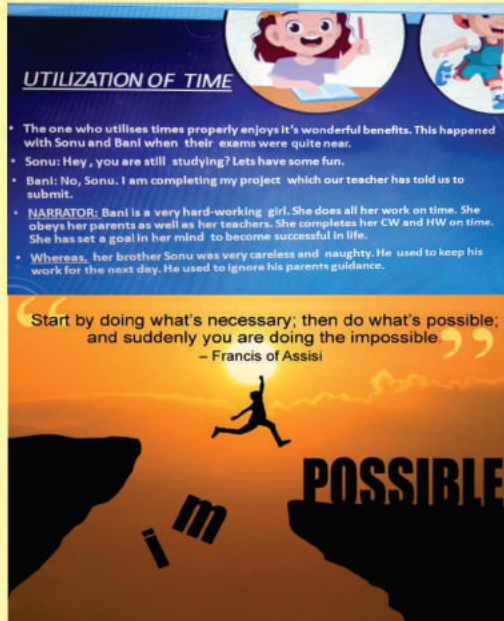

5. Analyse syllabus and exam pattern, practice previous year's papers, disconnect from social media. Last word of advice: Treat the pre board exams as a part of your preparation for board exams. Pre board are meant to help you, not stress you out. Make full use of this opportunity!

WEBINAR: - 'MOTIVATION TO PERFORM'

"Every accomplishment starts with the decision to try".

A Webinar - titled "Motivation to perform" was conducted for the students of grade III- VIII on 28th Nov'2020. The Webinar focussed on the tips for the students to succeed in every stage of life in the form of story depiction using puppets and flash cards. This programme helped students to build confidence and express, set their goals and work hard to achieve it. A feedback form was shared with the parents. It was a successful programme which enlightened our students as every accomplishment starts with a decision to try.

WEBINAR FEEDBACK FORM

KINDLY PARENTS FILL THE FEEDBACK FORM.
