

CHAIRPERSON'S MESSAGE...

"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations". With this belief, the pivotal role of our institution has been shaping the personality of every child into a healthy mind and happy soul, who is not only equipped for academic excellence but is also ready to conquer any challenges in a balanced and harmonious manner. Entering the world of New Normal have never seemed easy. This may be the era of artificial intelligence but nothing can ever substitute the work of our ever hardworking management and teachers who unitedly sailed through, thus proving the power of being a great team and continue to work with great dedication and sincerity. My urge to all my dear students to stay active and receptive in learning new skills of painting, writing blogs, play an instrument, practice meditation and yoga, develop reading habits or any activity which is joyful and will expand your knowledge. Do strengthen your family bond by talking to each other and sharing good thoughts! With parents as our prime stake holder, we will always continue in our endeavour to equip and empower our students with the knowledge needed to be self-reliant in this competitive world, thus imbibing the core values of discipline and being truthful. Remember - Our actions are born from our thoughts, our thoughts are the product of our values, and values come from our own belief system, if we believe life is miserable, we attract misery; if we believe life is beautiful, we attract happiness. We get what we focus on. So, focus that good things would happen to our children. This is one of the powerful variables, which would bring positive impact in our children. Keeping family, friends and everyone in prayers and wishing all good health and well being. Let the journey of learning and exploring continue!!!

FROM PRINCIPAL'S DESK....

On behalf of the entire Baptist school faculty and staff, I would like to welcome you in the new academic session of 2021-22 with novel bolder vision and ambitious milestone set. We, at Baptist, have always envisage an all-round and holistic education aiming to make our children civilized and ceaselessly seeking excellence with daily lifeskill learning. COVID-19 Pandemic has surely altered and disrupted our life normalcy across the world. We understand the challenges faced by you, your family and our teachers to cater to the academic needs during closure of school and adapting to the new normal virtual learning. The teachers have braved these tough times and made a tough yet obvious choice. They decided to rise the call of duty, deal with anxieties, adopted digital literacy-One Of the important skills of the 21st century, there by providing our children blended learning resources, lifeskill lessons and also extended counselling with beamish promptness! We would also urge our parents to give extra support to the children at home by creating a nurturing and fulfilling environment for them. At this juncture, it is very important that we respond positively to their queries and encourage them to do things that makes them happy and joyful. The love and conviction of our parent fraternity has always been our driving force. We thank them for keeping their faith in us and also standing by us through the entire journey. Remember each day is a beautiful challenge. Let us thank the challenges as it is believed it helps us attain salvation. The ultimate goal should be to rise together against all odds. We pray for a quick control of the COVID Pandemic and healing of those affected by the same.

Please stay safe, determined and get vaccinated

ईश्वर की तरफ से मिलने वाला हर एक पुष्प अगर वरदान है...तो हर एक कौटा भी वरदान ही समझें....
मतलब....अगर आज मिले सुख से आप खुश हो...तो कभी अगर कोई दुख, विपदा, अड़चन आजाये....तो
घबरायें नहीं.... क्या पता वो अगले किसी सुख की तैयारी हो....एक दिन
एक दिन सभी न्यूज चैनल पर आप देखेंगे कि आज कोई भी कोरोना का केस पूरे देश में नहीं आया।
एक दिन आप पढ़ेंगे कि आज कोरोना के कारण कोई नहीं मरा।
एक दिन हम देखेंगे एयरपोर्ट, रेलवे स्टेशन पर वही लम्बी कतारें।
एक दिन हम देखेंगे कि हमारे बच्चे फिर से स्कूल बस और वैन से स्कूल जा रहे हैं।
एक दिन हम फिर देखेंगे कि सिनेमा हाल पर लगा हाउस फुल का बोर्ड..
एक दिन हम फिर एक दूसरे से गले लगेंगे और शादियों में समारोहों में नावेंगे एक साथ।
हम सब को बस उसी दिन का इंतजार है।

हम सब मानव इतिहास के सबसे मुश्किल समय का सामना कर रहे हैं, परन्तु ये एक Time Phase है जो गुजर जाएगा। हमें बस अपने आप को प्रेरित करना है कि दूसरों की मदद किस प्रकार करें या पहुंचाएँ।

Edwin Arnold has called Gautama Buddha, the "Light of Asia". Buddha's teachings have travelled far and wide, capturing the hearts of billions of people. Buddha Purnima memorializes and celebrates the birth of Lord Buddha and his enlightenment. So to mark the significance of the day, our rising young stars chanted shloka, made creative banner and dressed up as Lord Buddha's and laid the emphasis on his teachings. Our juvenile achievers also performed the act on Buddha life, showcased their talent by making posters. The occasion was celebrated with religious fervor and gaiety. Such festivals honor the legends of this nation and to inculcate the same respect for great personalities.

Family is the compass that guides us. INTERNATIONAL FAMILY DAY

It is a great day to celebrate the bonds and joy we share with our family. We all should spend this Family Day laughing and giving each other a lot of Happiness. It is an event that is intended to allow loved ones to take a respite from their daily lives and spend quality time together. One of the best things about this occasion is that there is no single "requirement" for the activities to be celebrated; Family Day is flexible as it is relaxing time with the family members. So to make this day special we celebrated it with our little champions by various game play activities with family, dinner eating together, family selfie, cold cooking for family. Our junior genius of Grade 3 to 5 celebrated by making family bouquet, Popsicle stick and switch it up activity to be dressed like parents. So the day ended with kids and their family love celebrating it together.

INTERNATIONAL MUSEUM DAY

A visit to the museum is a search for beauty, truth and meaning of our lives.

Our primary children are utilizing their summer vacation by self discovering their hidden talents and sharing with us their skill of poetic recitation, dance, painting, cooking, playing an instrument etc. Appreciation to all our children for such overwhelming responses and magical display of creativity!
