CHAIRPERSON'S MESSAGE...

Dr.(Mrs.) S.D. Malik

Every child has an innate potential that when tapped and nurtured can help him soar to unimaginable heights. It is for this reason that school with its insignia of-'We nurture talent' and try to unearth the hidden talent in each child and optimise their

aptitude to the fullest. The training of mind, body and spirit is the richest endowment that any school can give. We believe and work towards the cultivation of human based garden which if neglected can easily become a wilderness, but if cultivated rightly can become a thing of infinite beauty and joy.

Dear students – always remember that nothing stays forever-neither success nor failure. The only thing that is constant in life is the change. We have to accept the changes and challenges of life and be mentally focussed, strong and determined. Keep learning about new things.

Remember -You can do almost anything you put your mind to. You can swim the deepest ocean and climb the highest peak. You can face adversity and still walk dauntless. You are much more strong than words could ever say.

May this season of festivals spread into your Life Peace, Prosperity, Happiness and Good Health. May you all have a blessed year ahead.

FROM PRINCIPAL'S DESK....

Towards new horizons...

Every day is a new beginning.

Every day is full of blessings.

Every day is filled with new hope.

Every step leads to a new life, every steps filled with faith, leads to success combined with failures that make us to grow into the totality of our being. Every student in the school is aspiring to be an important person. The aim of the school is to provide sound education designed to train its students for the world of tomorrow that will give power to become innovative thinkers, creative problem solver and inspired learners to thrive in the world.

Confidence and hard work is the best medium to kill the disease called failure. It will make a successful person.

~ APJ Abdul Kalam .

I wish that each one of you to become someone in the society for the value aligned with that of the Divine, that of a Great Leaders of a country, Educationist, Scientist and thus to be just a humane.

I wish all my parents and their children a very rewarding experience in the school in the New Academic Session 2021-22 .
